

## **Job Description for Youth Director Stone Memorial Christian Church Collinsville, Virginia**

Stone Memorial Christian Church is looking to hire a youth director. While the person chosen will work primarily with our middle and high school students, the position encompasses the servanthood of all who seek Christ. They should be prepared to serve the church-- from seniors to infants.

**What we believe:** The Stone Memorial Christian Church believes in the deity and Lordship of Jesus Christ, the inspiration of the Bible, and the autonomy of the local congregations. Following the basic principles of the "Restoration Movement", we accept and teach believer's baptism into Christ for the forgiveness of sins; we assemble for worship on the first day of the week, making the observance of the Lord's Supper a focal point in our worship. We seek the unity of all believers on the basis of faith in and obedience to Christ as the divine Son of God and the acceptance of the New Testament as the all-sufficient rule of faith and practice. Our position in the religious world has been expressed in such time-honored slogans as these: "Where the Scriptures speak, we speak, and where the Scriptures are silent, we are silent," and "No creed but Christ, no book but the Bible, no plea but the gospel, and no name but the divine."

### **Characteristic Duties and Responsibilities:**

- Provide spiritual counseling and direction to youth on an individual basis.
- Develop and implement a comprehensive youth ministry strategy (including youth volunteer opportunities, youth conferences, developing and exploring youths' relationship with Christ and what it means to be a follower of Christ)
- Keep parents, Senior Minister, and Church Board updated on ministry strategies, as well as plan and organize events for youth in a way that encourages partnership and involvement
- Seek to integrate youth ministry into all phases of church life to create an intentionally intergenerational culture, striving to unite with and complement other church ministries
- Other duties as required

### **Expectations:**

- Participate in weekly one hour one-on-one mentoring by the Senior Minister and/or Elder(s) for encouragement, direction, support, and continued challenge for growth
- Attend all worship services, regular programming, and special events, unless prior arrangements with Senior Minister are made
- Grow existing youth programs while incorporating unchurched youth participants/families from the surrounding community
- Present monthly ministry updates and goals for the coming year to the church board
- Participate in annual/semi-annual performance review

- Preach to the general congregation on occasion

**Education, experience, and salary:**

- Bachelor's degree preferred but not required
- Experience working with youth required
- Salary will be competitive locally and commensurate with education/experience
- First year of employment will be probationary, to be renewed at the one year mark with positive performance review from Elders and Senior Minister
